1. Headquarters would appreciate being advised of the action taken on the points of interest raised in paragraphs 3, 4, and 7 of Reference B inasmuch as we have again been queried by interested KUBARK elements for additional information. We would definitely appreciate receiving [ ] interpretation of the word "apparat" as used by LARSEN in Reference A. In connection with this reported activity at the Hungarian Legation, is it possible that [ ] might have a contact among his many friends and acquaintances who could, from an unwitting point of view, verify or investigate LARSEN's remarks?

2. We have also been queried for additional information surrounding Frede KLITGAARD's presence in the Soviet Union. What does the [ ] know about the activities of this individual? Does [ ] have any additional information on either the past or present activities of this individual? Inasmuch as we are being pressed for answers to these questions, we would appreciate an early reply.
